

MARINE | INDUSTRIAL | OFF-HIGHWAY

World-class service and repair for a wide range of marine drivelines

The people, the power, the performance

WE HAVE THE AFTERMARKET EXPERTISE TO KEEP YOUR BUSINESS OPERATIONAL WITH OVER 45 YEARS OF EXPERIENCE PROVIDING LEADING OVERHAUL AND REPAIR SERVICES TO THE MARINE INDUSTRY.

Our market longevity means we have built longstanding relationships with the most influential drive product manufacturers, meaning our engineers are factory trained to the best standards, with access to factory manuals and OEM parts.

WHAT WE OFFER

- 24/7 Emergency response
- Fully tooled mobile service engineers
- Immediate response times
- Genuine OEM spares, available on next day delivery
- Overhauls and repairs
- 12 months warranty as standard
- Survey and condition reporting
- Torsional vibration analysis
- Service exchange program
- Routine maintenance contracts

“We have been very impressed with MIT’s quality of work with these gearbox overhauls and believe we have extended their working lives for many years with this investment. MIT’s professionalism and expertise is unrivalled in the UK and we look forward to working with them again.”

Jack Weller
Commercial Rib Charters
Operations Manager.

WE ARE MANUFACTURER AGNOSTIC, MEANING WE CAN WORK ON ANY MODEL OF GEARBOX, DRIVELINE, COUPLING AND CPP SYSTEM.

24/7 GLOBAL SUPPORT

We endeavour to keep your downtime to a minimum. So whatever your situation, our specialists can get your vessel back on the water quickly.

From preventative maintenance to onsite emergency support, our engineers are all equipped with tooling and spare parts that enable them to repair your vessels wherever your location.

Marine & Industrial Transmissions Ltd is part of Axel Johnson International, a global industrial group that acquires and develops companies in strategically selected niche markets, primarily technical components and industrial process solutions.

The group is an active and long-term owner whose mission is to drive business development and growth. It builds and develops groups of companies with shared strategic objectives, stimulating joint initiatives and knowledge sharing. Axel Johnson International has six business groups: Driveline Solutions, Fluid Handling Solutions, Industrial Automation, Lifting Solutions, Power Transmission Solutions and Transport Solutions. Axel Johnson International has an entrepreneurial culture where decentralised and committed leadership enables quick decisions. The group has four focus areas: digitalisation, service, sustainability and people development.

Axel Johnson International is headquartered in Stockholm, Sweden. The group comprises 170 companies in 30 countries. Axel Johnson International is part of the Swedish family-owned corporate group Axel Johnson.
