Next day delivery OEM parts

*"We've worked with the MIT Team for over seven years to service and repair our SIDES S3X and Carmichael Cobra ARFF vehicles. With safety as our priority, MIT's swift response times and 24/7 support have kept our vehicles operational and downtime minimal. Their use of genuine OEM parts and prompt repairs have been crucial. We've been consistently impressed with their services, from annual maintenance to major repairs and redesigns."*
